

Bubble Wash Collection

Sync. Sizzle. Serve.

Bubble Wash Innovation
Experience effortless maintenance with our innovative Bubble Wash function. Rich foam penetrates deep into the hood's internal components, dissolving grease and grime while reducing bacteria by up to 99%.

Advanced Ionizer Purification
The built-in ionizer releases negative ions to neutralize smoke, grease, and odors. Keeping your kitchen cleaner and healthier.

Silver Grey Tempered Glass Finishing
Crafted from high-strength tempered glass with a stylish silver-grey finish, combining durability with a sleek, modern kitchen aesthetic.

Heat-Insulated Enamel Steel Pan Support
Durable heavy-duty steel with enamel coating for superior heat resistance and long-lasting support.
